

**10th International Conference on
Photosynthesis and Hydrogen Energy Research for
Sustainability 2019**

June 23-28 2019, Saint Petersburg

<https://icprs.ru>

Dear colleagues!

On behalf of the International and Local Organizing Committees, we cordially invite you to take part in the 10th International conference "Photosynthesis and Hydrogen Energy Research for Sustainability-2019" which will be held on June 23 – 28, 2019 in St. Petersburg, in the Palace of Beloselsky – Belozersky (Nevsky prospect, 41)

The official Conference organizers from the Russian side:

- Institute of Basic Biological Problems of Russian Academy of Sciences (IBBP RAS)
- Komarov Botanical Institute of the Russian Academy of Sciences (BIN RAS)
- Russian Society for Photobiology (RSP)

The conference provides a platform to present and discuss the latest achievements of leading foreign and Russian scientists in the fields of photobiology, photosynthesis research and of the production of hydrogen as a renewable energy source.

The upcoming 10th Conference will bring together over 250-300 specialists, including the world's leading researchers in photobiology and hydrogen energy. Leading scientists, including Nobel laureates, have been invited as speakers at the Conference. Detailed information about the invited speakers and the members of the International and Local Organizing Committees can be found on the Conference website, <https://icprs.ru>

We expect engaged discussions on the following issues:

- primary processes of photosynthesis and artificial photosynthesis;
- structure and functioning of bacterial and eukaryotic photosynthetic cells;
- global climate change;
- biological production of hydrogen and other issues of hydrogen energy research.

We kindly invite your company to consider supporting this Conference as a sponsor and to participate in the exhibition. The conference provides a wide range of opportunities to promote products and services to manufacturers of laboratory equipment and tools, consumables and software. Participation in the Conference will offer you a unique opportunity to establish contacts with foreign and Russian consumers, and will give the sponsors with the right to present a thematic report, get mentioned in the news, in the collection of materials and on other information media of the Conference.

Financial support of this event is required to cover the organizing costs of the Conference: renting conference rooms and equipment, publishing printed materials, as well as supporting the participation of students and young scientists in the Conference.

Chair of the local organizing Committee
acting Director of IFBP RAS
The President of the RPS

Anatoly A. Tsygankov

SPONSORSHIP OPPORTUNITIES

● **GOLD SPONSOR — exclusive rights – 200 000 RUR - includes:**
